# HAVE YOURSELF A MERRY LITTLE CHRISTMAS

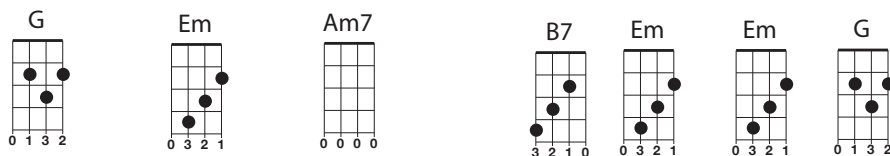

Have your-self a merry little Christmas, let your heart be light,

From now on our troubles will be out of sight

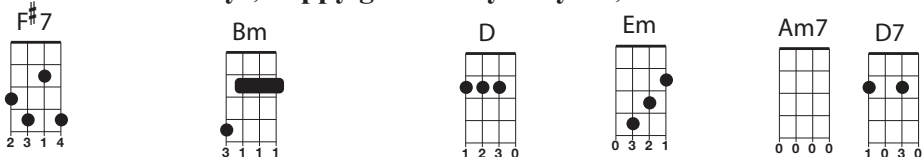

Have your-self a merry little Christmas, make the Yule-tide gay,

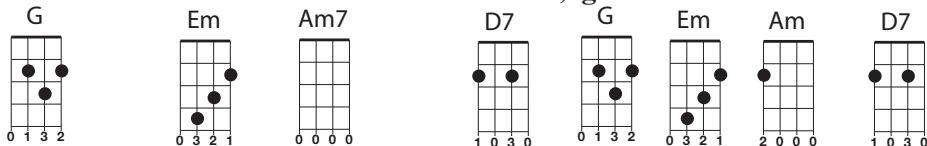

From now on our troubles will be miles a-way

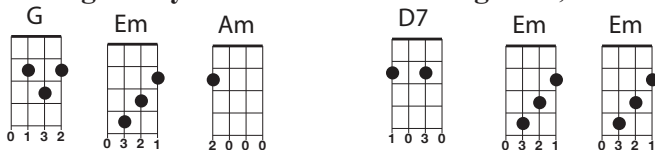

Here we are as in olden days, happy golden days of yore,

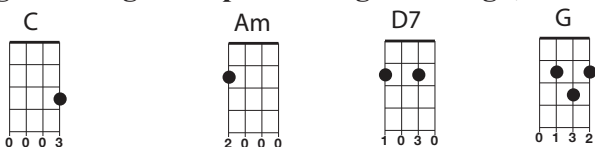

Faithful friends who are dear to us, gather near to us / once more.

Through the years we all will be to-gether, if the fates al-low...

Hang a shining star upon the highest bough,

And have your-self a merry little Christ-mas now.
